Digger & Plant Trailers

Proudly New Zealand owned & operated

GT Trailers are built tough to perform in the commercial environment to withstand rugged and hard treatment with continued reliability.

Recognised as the market leader for quality and strength we offer a wide range of trailers all manufactured and assembled inhouse.

We offer a number of models, so you are able to select the right trailer for your particular needs whether transporting a digger, plant or building materials.

MODEL	DECK AREA	BRAKING	GVM*	LOAD CAPACITY
CTDIG25	2.95m x 1.45m	Hydraulic	2500kg	1970kg
